# COMPREHENSIVE LIGHTING CRAFT

BRILLIANZ IS A LEADING SUPPLIER CHANGING THE WORLD OF LIGHTING.

# COMPANY PROFILE

Brilliantz is a leading supplier changing the world of lighting with the latest green technology, energy-saving lighting and controls, renowned for innovative and intelligent lighting solutions.

Brilliantz has a well established history of introducing many innovative products which have shaped today's lighting industry. Our experience in energy efficient lighting stems from many years of industry renowned research and development, working closely with specifiers, utilities and associations to develop new lighting products.

# COMPANY PROFILE

# OUR MISSION

The mission of **Brilliantz** is to be the leading provider of innovative, high quality lighting fixtures and systems to commercial, municipal and utility markets. We strive to deliver consistently superior value to our clients and their customers.

This commitment permeates everything we do, driving us to continuously improve our products and processes to fulfill the need for quality lighting solutions.

**Lumencraft** offers an exceptionally strong portfolio of quality products, encompassing a comprehensive selection to meet a wide variety of indoor and outdoor lighting applications.

At the core of new product development is the commitment to utilize the very latest lighting technologies that improve lighting quality, improve efficiency, and enhance the environment through reduced energy consumption.

We have sophisticated lighting resources and expertise. Our services range from concept development to complete lighting design with standard products only. We have the resources and expertise in day time analysis, life cycle analysis and cost comparative studies.

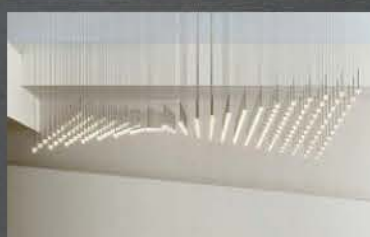

# Authorized Distributor

# VIBIA

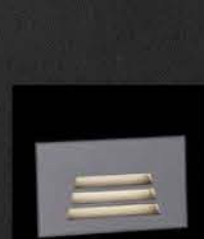

Authorized Distributor

"Vibia is a global architectural lighting company based in Barcelona".

Light is at the foundation of space design. Alongside architects, interior designers, lighting designers, engineers and dealers, we aim to improve the world through a single aspiration: creating better spaces to live.

Authorized Distributor

## Kapego

" Exterior Fixture where Quality and Design are met.

KAPEGO : Excellent Product & Design to satisfy a general or specific lighting task for architectural and exterior application purpose. To accomplish the goal, we choose only the highest quality materials for our lighting fixture.

# Authorized Distributor

## Titan.

Authorized Distributor

" Perfect matches for Architects, Designers, Home-Owners and design enthusiast. "

TITAN is meant to fill our living spaces with matching atmosphere. Our lighting fixture was designed to support everyday activity by providing lighting effect while preserving our eyes from premature tiring.

## LUMENCRAFT

## Smart Adjustable Light for the IoT

Light controlled easily and smoothly.

Operate the lighting direction vertically and horizontally, dimming, light distribution angle, and color temperature easily from the smartphone application.  
Lighting operations are simplified with a wide range of available applications.

# ZEUS FOR YOUR LIGHT

## NARROWEST

Crispy and extremely narrow optical design deliver the light exactly where you want.

## TRUECOLOR

True light is not only about CRI, R9 (Saturated red) is a more important parameter for true color.

CBCP (center beam candle power) up to 6200cd 25% more powerful than halogen spotlight

## BRIGHTNESS

Super brightness combines with extraordinary light quality would make much more sense

## CONSISTANT

Eyes are sensitive and nature judgment for color consistence. So SDCM less than 3 step, your eyes will be satisfied as always.

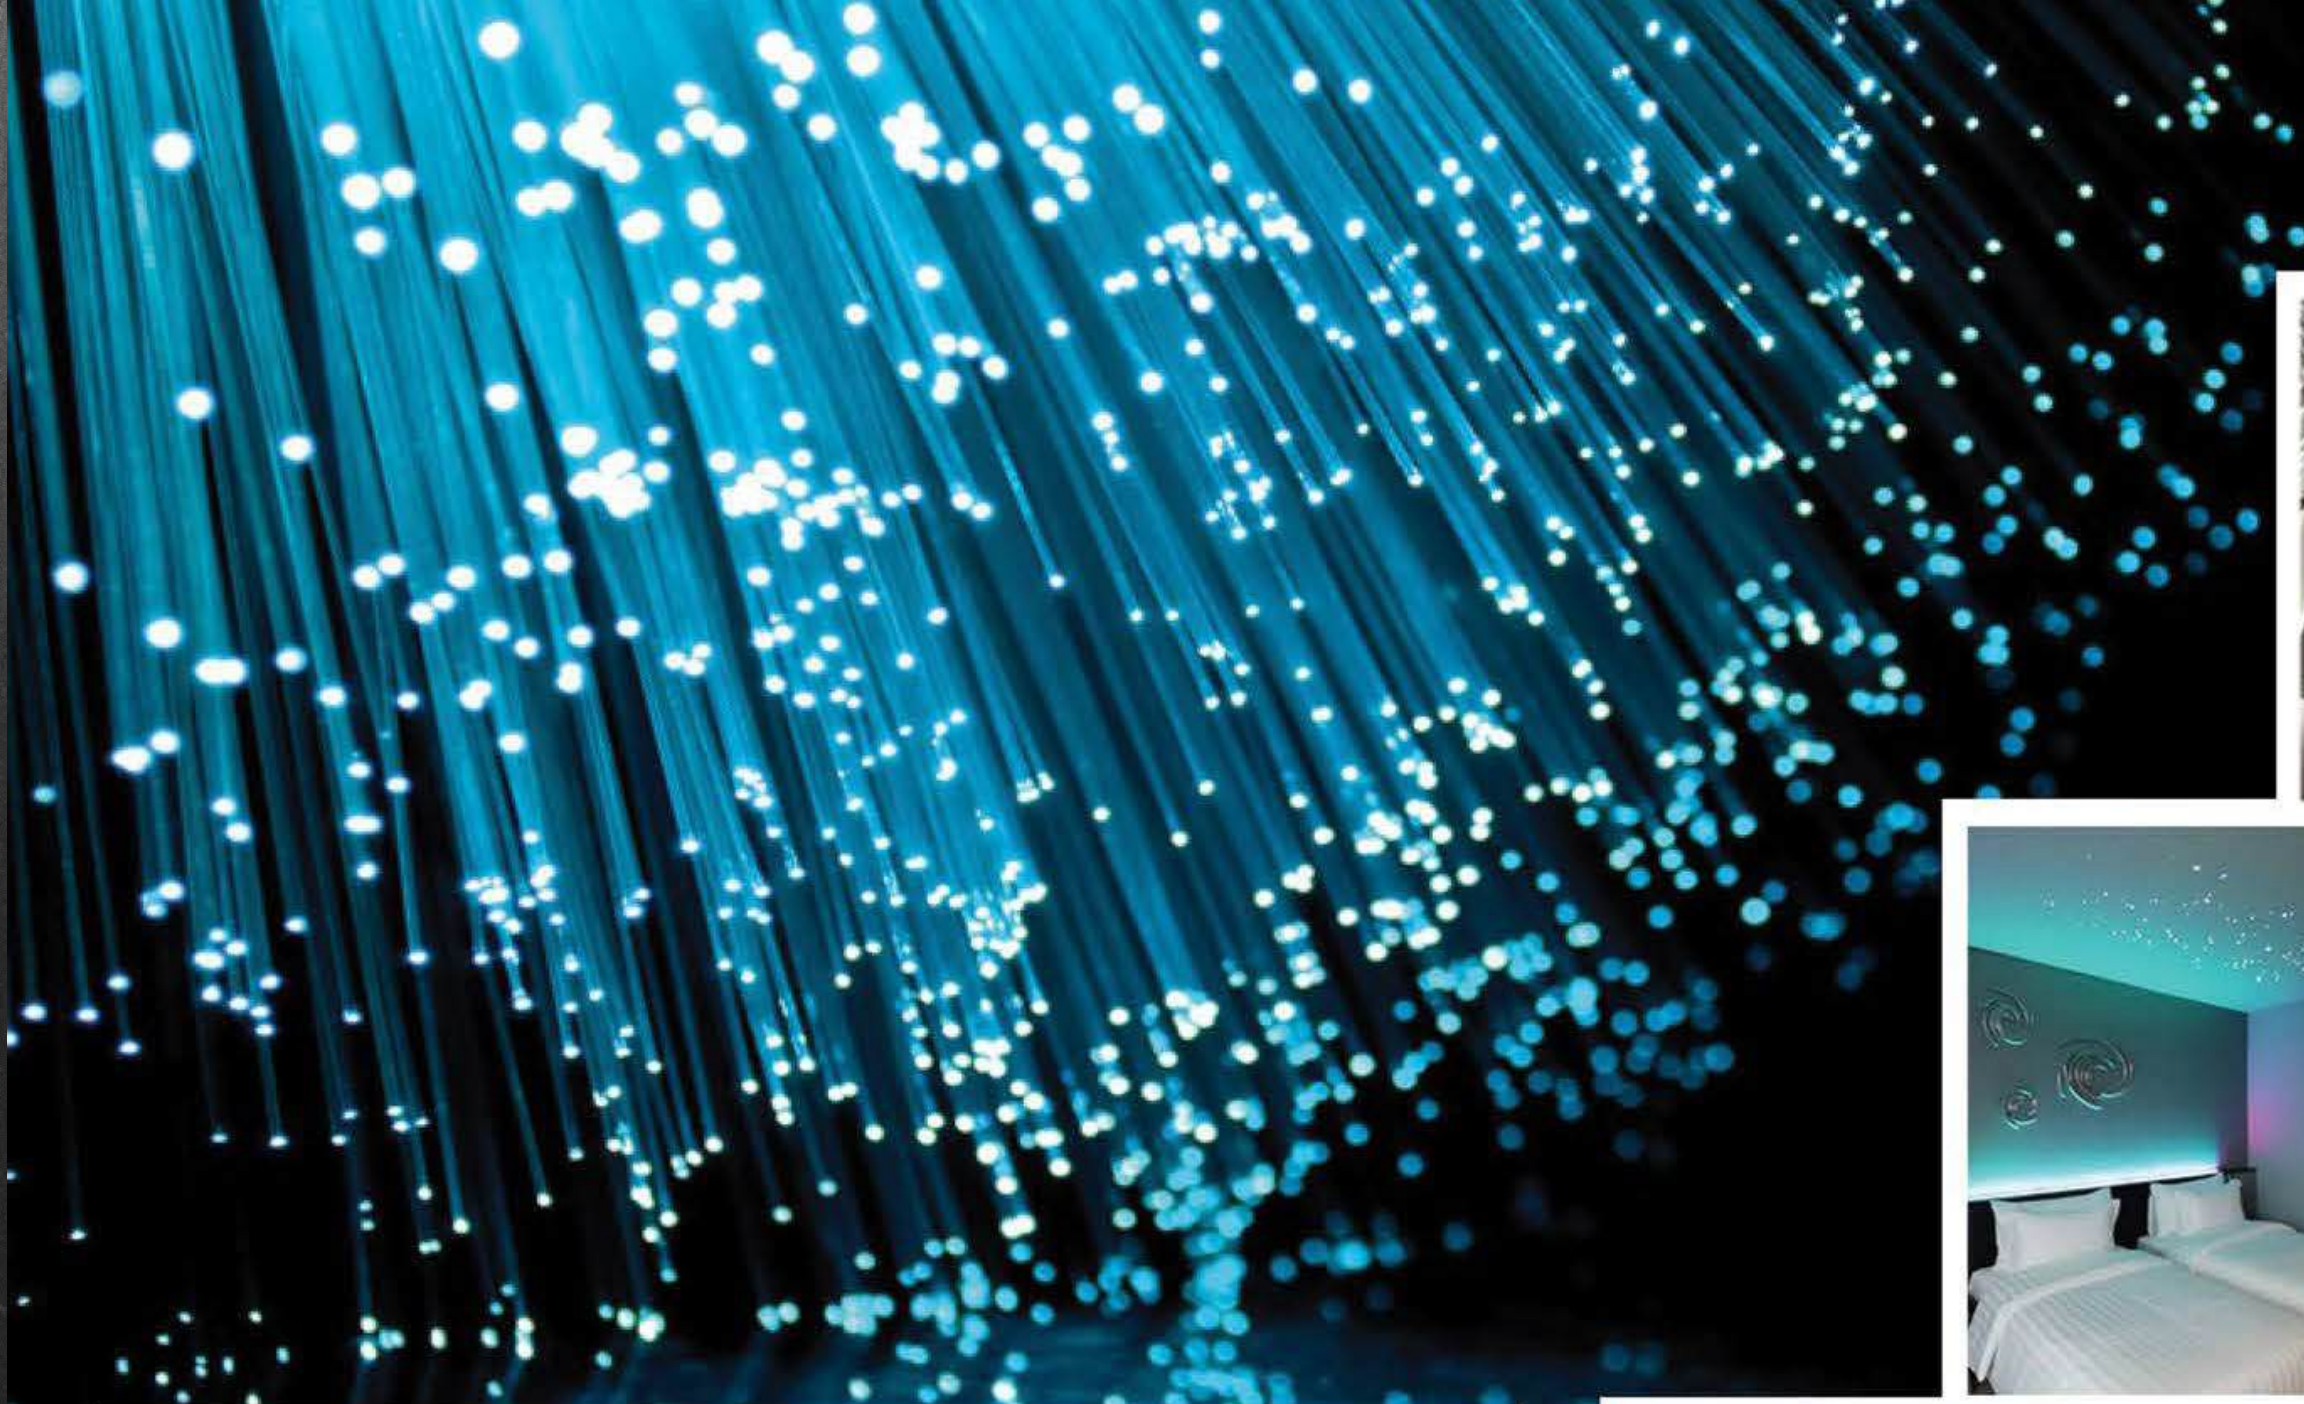

## DIMMABLE

Best dimmable bulb in the market. Can fit almost all triac dimming switch with smooth dimmability for all brightness level.

# EFFECT LIGHTING

- Main Functions:**
- 8 Colors
  - Color can be selected or autorun
  - UV protected
  - Over-heated protection
